LEGACY REPORT

Immeasurably
MORE

A NOTE FROM OUR PASTORS

2023 was the year of “Immeasurably More”! I am humbled to hear the testimonies of God’s grace in your lives this past year. In a year of obstacles, you found opportunities. In a year of head winds, you found prosperity. 2023 was a year that reminded us that our lives are guided by the sovereign hand of our God. He is so good!

Last year we:

- gave \$304,850.82 to missions.
- served 11,000 families through Compassion Food.
- distributed 4,160 hot meals through Nature Coast Outreach.
- participated in Serve Day throughout the community with 100 volunteers.
- shared the Gospel with 8,788 homes in person.
- launched Grace Leadership Academy with 55 students in the first year.
- gave \$1,221,186.36 to date in the “We Say Yes” building project.
- have grown as a church family by 12%.

Every week, families encounter the life of Jesus through this church. It is truly an honor to pursue Him with you.

2024 will be a year of Grace. The Holy Spirit is leading us as a body to come to Jesus and find true life in Him. We are endeavoring to walk with Him in the unforced rhythms of His grace. He promises that out of His fullness we receive everything that we need.

Thank you for being a part of this journey with us. Truly, the best is yet to come!

Grace to You,
